The background features a white canvas with several thin, intersecting lines in a muted purple or brownish-grey color. On the left side, there is a solid green trapezoidal shape pointing downwards. On the right side, there is a more complex, layered green shape composed of several overlapping triangles and polygons in various shades of green. Centered between these two shapes is a block of text in a green, sans-serif font.

As teachers we rely on the
co-operation of each parent &
guardian to help create a supportive
learning environment, to encourage
in each student a positive attitude
towards school and learning.
