Study Rules

We would also like to draw it to your attention that each student's school journal is **stamped every day** that they attend study. **Please check their journals on a regular basis to ensure that they are attending**. Students are expected to attend study every evening unless a note is provided.

The following are the rules which students are asked to adhere to during each study session. Study begins at 4.00 pm. sharp and ends at 6.00 p.m. General school rules apply plus the following:

- No communication whatsoever, i.e. no talking, passing books or pens, etc. No interrupting supervisor, eating, reading magazines, toilet in emergency cases only.
- Students are allowed to use their mobile phones to access teams and study notes with the supervisor's permission. Students using their phones for other use will have their phone confiscated and returned at the end of study.
- Any student who has been absent must bring a note on return.
- Any student who must leave early on a regular basis must furnish an explanatory note in advance of the term.
- Each student will be assigned a place in the study room.
- Students who disobey any rule will be dealt with in the following manner.
 - First breach, a verbal warning. ○ Second breach, one-week suspension.
 - Third breach, two weeks suspension.
- Suspension notes will be posted home.
- The Supervisor's decision is final, and no appeals are entertained.
- Students are required to make their own arrangements for going home.
- Students are not permitted to leave the school between 3.45 pm. and 4.00 pm
- Writing on desks or walls is strictly forbidden.

We would encourage parents to ensure that their son/daughter attends study every day, in order to benefit from it.
